

Invitation to sponsors, exhibitors and advertisers

The 30th Nordic Lipidforum symposium 2019

– *Future and broader perspective in lipid nutrition and technology*

Scandic Bygholm Park

Dear lipid friend and partner

On behalf of the Board of Nordic Lipidforum and the Organisation Committee, we are happy to invite your company as sponsor to our upcoming event - The 30th Nordic Lipidforum Symposium.

The symposium takes place at Scandic Bygholm Park in Horsens, Denmark, from 12th to 15th June 2019. The scientific program will emphasize topics like Marine Lipids, Lipid analysis, Food Safety, Lipids in Nutrition & Health, Industrial Aspects, and Lipids in Skin Care. The topics will be presented by posters and oral presentations.

For this event, there are three main levels of sponsorship profiling. In addition, we also offer some minor (but never the less; very important!) sponsorship profiling. More information on the advantages of the sponsorship and exhibition can be found on the next page. Do not hesitate to contact the organising committee for more information.

A sponsorship at Nordic Lipidforum symposium is the most efficient exposure to the industry and academia working with lipids in the five Nordic countries, Iceland, Norway, Finland Sweden and Denmark, both for industry delegates, researchers and students. We expect to attract at least 100 participants to Symposium, industry and academic scientists that you will be able to interact closely with during the symposium.

For further information about the Symposium, please visit our website: www.lipidforum.info

Looking forward to seeing you all in Denmark!

For acceptance of sponsorship, please contact The Organizing Committee
